

## Public Direction – Print Form

This is the official Public Direction print form. Each voting-age citizen may fill out one copy of either the print or web-based form.

The first column is the name of the executive department, federal agency, or category of mandatory spending.  
 The second is where you will write the number of your rating.  
 The third column is a bullet that you will fill in to indicate the rating digit to the left of the decimal place.  
 The fourth column is a bullet that you will fill in to indicate the rating digit to the right of the decimal place.

A paper calculation chart is available to be used with this sheet, where you may refine your choices and view dollar amounts connected to each department's rating. An electronic spreadsheet calculator can also be found on the web at [www.publicdirection.com](http://www.publicdirection.com).
